P.T.O

7.

INNOVATIVE SECTION

Above is the picture Samrat Yantra (depicting maths in monuments) the world's biggest stone sundial standing at 73 feet high, is situated in Jantar Mantar in Jaipur, Rajasthan. It is one of the 19 astronomical instruments built by Rajput King Sawai Jai Singh II. The Samrat Yantra is known for its precision in measuring time and tells the local time with an accuracy of 2 seconds using the shadow cast from the sunlight.

You all have to gather information about one such historical monument of India and write about it in 100 to 150 words specifying the maths used in it
